

Shaker Farms Condominiums

Board Meeting

Thursday, May 27, 2010

Board Members in Attendance: Liz Ray, Barbie Abbott, Mary McCoy, Cathy Hayes

Manager in Attendance: Christine Trahan

Location: Barbie Abbott's condo

Time: 6:30pm

The meeting began with a discussion of how to deal with the garbage pickup situation. There have been numerous times where dumpsters were not picked up even though there was nothing blocking the pickup site. This will not be tolerated and will be dealt with on the proper level.

We now have two roofs done for the year. Every year there will be two more roofs replaced according to the ones most in need of replacement.

When the new roofs are put on, there will be no satellite dishes on those roofs. Any satellite dishes put on the roofs in the future, will be removed at the owner's expense.

Also, we are going to have two driveways done this year. Aprons will be done first, and the paving and seal-coating will follow.

The board has decided that the plants in front of the Shaker Farms sign should be removed, as no permission was given to plant directly in front of the sign.

The next meeting is scheduled to be on June 17 at 6:30pm at Barbie's condo, 3726 #1.
