

Shaker Farms Condominiums
Board Meeting
Monday, June 1, 2020

Board Members in Attendance: Mason McNulty, Cathy Brock, Susan Tompkins

Location: Mason McNulty's condo - #3728-1

Time: 6:00 p.m.

The meeting was called to order.

The Board discussed some of the buildings that were in need of tree trimming later on in the year. Tree limbs that are too close are brushing up against the buildings and need to be cut back.

Other issues include siding that is coming off of some of the buildings, due to storms, and the lettering on the Shaker Farms sign at the entrance.

Letters will be sent out to all residents about fireplace usage and cleaning. Also, the Board will begin compiling a list of resident contact information to facilitate communications.
